

From the Council

July 2, 2024

Sunny Ho
Executive Director

China Daily interviewed Sunny Ho

- Hong Kong should capitalize on its niche in the air cargo business. The SAR's status as an air cargo transportation hub can be secured as long as it continues to be a global finance, business and tourism hub.
- If Hong Kong fails to maintain its superiority in air cargo transport, its edge in the industry may wane as competitors pull their socks up.
